Your customers will always be served faster and in order in which they arrive with a Take a Number System. Customers can relax without having to complete for service when you use NEXT PLEASE Take a Number System. With a variety of ticket options and large easy to read displays, the NEXT PLEASE Take a Number System is economically priced and easy to set up and is user friendly

Eliminate confusion from your customer waiting-line with the Budget Queue Series wireless Take a Number system. This queue management system includes a ticket dispenser, an attention grabbing LED display, mounting hardware, and a wireless remote that allows you to manage customers fairly and efficiently while keeping them informed of their current wait status.

Ideal for any deli or market with a steady influx of customers, this system boasts a three digit LED display with easy to read 4" high characters that range from 000 to 999. These eye grabbing bright red characters provide a 200' viewing distance, while you control the display from up to 100' feet away with a wireless push-button remote.

The classic manual ticket dispenser holds 3-digit ticket paper and ships complete with one roll/3000 of tickets. Also included in your Budget Queue Series wireless take a number system is a 5v power adapter that allows for simple plug and play connectivity, as well as the mounting hardware needed to display the unit where ever you'd like.

The Budget Queue Series Model 4-300 Take a Number System Package includes:

- 1-3 Digit LED 4" Display (Alert Tone)
- 1-Wireless Remote Push Button
- 1-3 Digit Ticket Dispenser
- 1-Roll of Tickets
- 1-Power Adapter
